

On The Road Again

Presented By Pastor Scott Walters on 04-05-20

Palm Sunday as a Sunday School 2nd grader:
Paraded around church with Palms in hand;
Plus, you got to take something home.

As an adult, Palm Sunday has always been a bit confusing:
[Beth' fuh jee"] Bethphage
Joy & excitement of the crowds
Placing palm branches & cloaks on the road.

But then there is looming before, the week ahead,
including Good Friday.

Today's presentation of monologues by members of Crossroads church were especially helpful

What this says to me, whether it was the original Palm
Sunday or today is that Jesus is very contextual.

Everyone has a different experience of Jesus and different understandings of who Jesus is.

Some might be committed disciples; others don't understand why this man would be riding on a donkey into town.
